Subject: Thank you from Kid's Kloset/WJCS

Dear Jason,

I would like to thank you for your time, effort and support over the past couple of months which have been very challenging for Kid's Kloset. As you know, Kid's Kloset experienced a devastating loss on September 4th when a fire at 170 East Post Road caused us to lose our place of operation and most of the donated clothing, shoes, supplies and baby items we had collected. Since our mission is to distribute these items to local children in need, it was heartbreaking for us to start the back-to-school season without being able to help these children.

We were extremely encouraged by the kindness and support of people like you after the fire. I am happy to report that we have a temporary home at 4 Gannett Drive in White Plains thanks to George Constantin and Heritage Realty. We are grateful to you and your movers at Shleppers that made our relocation possible. We couldn't have done it without you. Our volunteers are now busy organizing our temporary space, sorting bags of donated clothing and getting ready to pack more "Bags of Love" for children in need.

Thank you again for all of your efforts and support. I will keep you informed about our progress in the temporary location and eventual move back to a permanent space.

Sincerely, Stephanie Roth, Director Kid's Kloset
